Hi Ed,

I am writing because, unfortunately, I misplaced my membership certificate, and I was wondering if you could send me a new one.

Could the original date of membership, somehow, be indicated?

Sincerely,

Christopher Welton

P.S. My old address was listed in the 1989 roster, and the address in this letter is my current address.

In addition, my current telephone number is 529-1772.

Hi Ed,

Thank you for looking into a replacement certificate, however, I would also appreciate the replacement of my Certificate of Completion for an ARRL approved Novice course. In 1977, I had Dick Oberholtzer for an instructor, and he has offered to fill out a new certificate if the Club sends him one to fill out.

Could you please send Dick a Certificate to fill out.

Thank you,

Christopher Welton
